

OSA 3899-63

17 JUL 1963

MEMORANDUM FOR: See Distribution

SUBJECT: OSA Status Charts

REFERENCE: Memorandum from D/FA/OSA to C/OD/OSA;
Subject: OSA Status Charts; dated
16 July 1963 (OSA 3859-63)

1. A project has been established within the Operations Division to develop, produce and maintain sufficient status charts within the OSA Control Center to assure that the Assistant Director and his Staff have adequate status information available.

2. The purpose of this project is to consolidate all pertinent information of major interest for Colonel Ledford and his Staff, and to make this current information available at all times in a central location. The scope of information to be presented will include, but not be limited to:

- a. Mission and support aircraft
- b. Pilot training
- c. Inventory of mission equipment
- d. Major construction status
- e. Major programs
- f. Funding and budget
- g. Satellite program and schedule
- h. Modifications and new equipment
- i. Personnel

3. In order to establish the items of major interest to the Commander and his Staff, a review with each staff section will be necessary. This preliminary development step will be followed by production of a draft of each status chart required. Upon approval of the draft formats, final status charts will be placed in the Control Center for ready use and reference at all times. After finalization of the formats, posting of the data will be accomplished daily by Control Center personnel. The data to be posted will be prepared and forwarded to the Control Center by each staff section on appropriate forms established for the purpose by the Control Center.
